

# COMING SOON!

**What?** Football Mania Fundraiser

**When?** Tickets will be dispersed during July music week

**Why?** Support our amazing Huron Valley Marching Band

**How?** Sell a minimum of 5 game cards

**Details:** One game card plays 17 weeks during football season. You get 3 new teams each week, their scores for the week are total after the games are completed. If your three teams score the most or the fewest total points, you win!

No need to watch football, no need to track scores, we track the winners weekly and checks are mailed directly to the winners!

More information to be provided with the tickets, which will be handed out to the kids during July music week.
