

2022 - Super Bowl Squares Fundraiser – HVP and HVA

Greetings:

Every member of HVP/HVA is being asked to sell (or purchase) a set of 9 squares (the squares are color coded and assigned) for the football fundraiser. We are running 4 sets of 100 squares. We have 4 teams of 11 kids, selling 9 squares each, with Mr. Green selling the last square in each grid to complete the 100 total squares. This gives us 4 separate grids, each 100 squares.

Each square is \$10, and you need to keep track of the name of the person you sell it to, and also record their phone number and email. Collect the money as you sell the squares. We will close the sale on Saturday, February 5th at 9 am (Start of Practice). By that time, you will need to turn in your squares sheet with all 9 sold and assigned out. Any unsold squares will not be available for the game payout. Please turn in a check for the total of your squares payable to the Lakeland Band Boosters, with your sheet indicating who is assigned each square you sold, to the Red box. WE CANNOT TAKE ANY FORMS after 9 am on that Saturday as we have to draw the numbers to fill in for each score so we can share the score grid completed with everyone later that day. The Superbowl is on Sunday, February 13th.

If people ask, they are purchasing a random square in advance not knowing what the numbers are. This is so that you can sell all 8 squares and people aren't trying to only buy a specific numbered square hoping it is better than others. Remind them that for \$10 they are getting a chance to win up to \$500, and they are supporting a great program by helping HVP and HVA!

We will assign scores for each square through a random draw on Saturday, February 5th, and will share it out with you all later that day. This will be sent out to everyone so you can all see what the assigned scores are for each box and share out with the people who purchased a square from you before the day of the Super Bowl which is Sunday, February 13th!

Payout is as follows – This is for each grid. We are running 4 separate grids for the game because of the number of members we have.

- ***\$100 each quarter (1,2,3 quarter) to the winner***
- ***\$200 at end of game to the winning square (final score)...if there is an overtime, the 4th quarter payout is deferred to the winning numbers at the end of the game instead (so there is no payout for 4th quarter and then overtime as well...just one at the end of actual game).***

IF WE SELL ALL THE SQUARES = \$2000 profit to the Winter Programs and Total payout is \$2000 from the 4 grids.

Super Bowl Squares – HVP/HVA 2022

Student name: _____

Square # **Name:** _____ **Phone:** _____ **Email:**

Please return your total money with your sheet (cash or check payable to Lakeland Band Boosters) to the red box by 9 am on 2/5 – Saturday. If you don't have your money/sheet in by that time, your squares are void and we can't include them in the prizes/payout.
